Pursuant to Local Rule 7.1(B)(4), the United States of America, by and through its undersigned counsel, respectfully requests leave to file to file an opposition to defendant's Motion to Suppress Fruits of Searches that exceeds 20 pages. As grounds for this motion, the government states that the issues raised by defendant's two motions involve eight search warrants and each of the defendant's motions exceeds 20 pages, thereby requiring a memorandum in opposition exceeding 20 pages and an extensive appendix.

Respectfully submitted,
